#### Purpose and legal basis of processing

Data from the web participation will be used for drafting a summary report from the conference. The email addresses of participants will only be used for informing the participants about the summary report.

The processing of personal data is necessary and proportionate for the performance of the authority's duties that are in the public interest.

### Data subject groups and their related personal data groups

Data collected from participants includes email address and possible responses to questions/discussion on the platform.

### Personal data recipients and recipient groups

The data is processed by Howspace Oy on behalf of the Ministry of Justice.

### Planned time limits for the erasure of various data groups

Data on the results of the discussion and data needed for providing information about the conference summary report will be stored for the time the project is pending.

### Technical and organisational security measures

The email addresses of participants will be stored in the Howspace system, which is secured with a password and user ID. Only Ministry of Justice system users who are responsible for carrying out the project and Howspace will have the right to access the data. The personal data that the participants have not themselves disclosed through the platform will not be disclosed to other participants in the project.

### Rights of the data subject

The participants have the right to request access to their data, the rectification and erasure of their data and the limited processing of their data as well as to oppose the processing of their data. Please see our website <https://oikeusministerio.fi/tietosuoja> for more information on these rights and the processing of personal data in Ministry of Justice services.
